When both are completed please scan and send all of them by email to accounts@bluecircleexpress.co.uk. Please post the hard copies to us at the address above

Goods can be left in the vehicle overnight with prior agreement, although customers should however be made aware that goods are not insured anywhere when left in the vehicle overnight and whilst every effort is made to ensure their safety Blue Circle Express Ltd cannot accept responsibility for any loss or damage to them in doing so.

Customers should also be made aware of the limit of liability in the use of these conditions and should ensure that they have sufficient cover over and above this for the carriage of their goods.

We have in place a Goods in Transit policy of £20,000 on an all risks basis for any one event per vehicle (Conditions apply). This still far exceeds the standard level of cover under our industry's terms and conditions of carriage of £1300 per tonne. We also have a Public Liability Insurance Policy of no less than £5 million.

- Terms of credit

For all new customers Blue Circle Express Ltd requires full payment for the first job before commencement. We can then offer facilities with 7, 14, 21 or 30 day terms subject to credit checks being made.

- Weekend and Bank Holiday Service

Any work undertaken on a weekend or public Bank holiday will be charged at an additional 20% unless otherwise agreed by Blue Circle Express Ltd and the customer.

- Security arrangements

Whilst we are happy to discuss the broader issues of a working relationship over the phone we would prefer not to undertake any work before we have met face to face. This is to ensure both parties are happy and we can demonstrate what we can do and the arrangements we have in place. A signed NDA (non disclosure agreement) is required for discussions regard-ing our services. This can be downloaded via the link on the website.

The Carrier shall be under no liability whatsoever to whomsoever and howsoever arising in respect of such carriage: Provided that where the Consignment is carried partly by road and partly by such other means of transport any loss, damage or delay shall be deemed to have occurred while the Consignment was being carried by road unless the contrary is proved by the Carrier.
